Dues are \$50 per year. Almost all of our annual expenses go to maintaining the gliderport and towplanes. While income from tie-down and hangar fees, tows and events is substantial, we rely upon tax-deductible donations from our members for around 40% of our operating income. While donations are not required of members, a donation of any amount is appreciated, and all donations are tax-deductible.

Send dues and donation checks, payable to ASI to:
