

Air Sailing, Inc. presents The 2010 Thermal Camp June 7 - 11

Audience This five-day camp is for beginner and intermediate-level glider pilots who want to develop efficient thermal soaring skills for longer local flights and for safe cross-country flights.

Objective The objective of the Thermal Camp is to develop and sharpen thermaling and soaring abilities through comprehensive lectures, practical demonstrations, and daily practice of the basic concepts and skills of recreational thermal soaring.

Daily Schedule Thermal Camp is five days of soaring talk and practice. Daily lectures, demonstrations, and flights start at 8:30 AM and continue through at least 5:00 PM. The week is topped off with a banquet and celebration of accomplishments on Friday evening.

Pre-requisites Participants must have a Private Pilot Glider certificate or a Student Pilot certificate with 5 hours solo experience. Participants must provide their own glider and glider liability insurance. A limited number of gliders may be available at Air Sailing Gliderport from the Nevada Soaring Association requiring membership.

Costs A \$250 participant fee per glider (\$100 per additional pilot per glider) includes initial Air Sailing Membership and five days of training and course materials. The participant fee also includes a \$50 registration deposit, non-refundable for registrants who cancel less than two weeks prior to the event. Tow charges, living expenses, glider rentals, and incidental costs (e.g., oxygen, end-of-camp banquet), are not included in the participant fee.

- Initial Air Sailing Membership is Free
- On-site Tent Camping is Free
- Glider Storage in Hangar is \$45 for the week (Glider storage in hangar is subject to space availability.)
- Oxygen is \$30 for unlimited fill-up
- Glider & Trailer Tiedowns on Ramp are Free
- Travel-Trailer Rentals are \$95 per week
- End of Camp Banquet is \$12-\$20 per person

All prices and rates are subject to possible change without notice.

Travel-Trailer rental reservations are managed by David Volkman: phone 775-787-3197,

drvolkman@charter.net

The 16th Annual Air Sailing Thermal Camp

Air Sailing, Inc. presents
The 2010 Thermal Camp
June 7-11

Air

Sailing, Inc. Air Sailing, Inc. is a not-for-profit, volunteer-run, membership organization established by its founders in 1970. Air Sailing Gliderport is located in the Warm Springs Valley, 25 miles north of Reno, Nevada. The gliderport property has been granted in perpetuity to Air Sailing, Inc. by a patent from the U.S. Bureau of Land Management. Our revenue is derived from memberships, donations, fund raising, an annual banquet and silent auction, educational soaring camps, and hangar & tiedown fees.

Facilities

Air Sailing Gliderport has picnic tables, charcoal and gas barbeque grills, travel-trailer rentals, campsites, shade trees, hangar glider storage, outside glider tiedowns, heated men's and women's bathrooms and showers, telephone, wireless high speed internet, and plenty of high-quality water available for your use. Tows are available from either of two towplanes at \$1.50 per 100 feet.
